The SoCal Veterans Job and Resource Expo is one of the largest job and resource events in the Inland Empire. Due to the growing needs of our transitioning veterans we have created a one-stop shop where veterans and their families can receive the help they need.

Daley Technology Systems (DTS) and Warriors Art Project are teaming up with the Los Angeles County Office of Education (LACOE) and community organizations to launch the inaugural SoCal Veterans Job and Resource Expo at the newly named Toyota Arena in Ontario. Media partners include: Beyer Media, CREA Digital Marketing and KOLA 99.9.

More than 60 vendors will gather at the Toyota Arena in Ontario, CA to provide on-site job interviews, information on resources and services. Employers include: Fed Ex, Amazon, Fairplex, United States Postal Service, Kaiser Permanente, U.S. Census Bureau, Macys, Keolis Transit America, LA and Riverside County Sheriffs, U.S. Customs and Border Protection and more. Some resources offered include: mental health, on-site vision, medical and dental resources, training programs, housing services, employment opportunities, and much more.

Hundreds of Veterans, transitioning service members, and military spouses are expected to attend this free event.
