Proud Americans and Veteran Supporters

Help Us Support our U.S. Veterans and their Families

Re: 2024 SoCal Veterans Employment & Resource Expo: "Tomorrow's Electric Technology... Starting Today"

Dear Veteran Supporter,

Southern California is home to one of the largest military veteran populations in the country, and this November, we are proud to host the **SoCal Veterans Expo** at the Ontario Convention Center to connect veterans with employers and resources that will help them build a stable and prosperous future for them and their families.

We invite you to join us as a **Sponsor** of this meaningful event, taking place on **Friday, November 15, 2024**, from 9:00 a.m. to 2:00 p.m. Your generous financial contribution and presence will directly support our veterans, providing them with job opportunities and essential services to improve their lives and the lives of their families.

As a sponsor, you will be showcasing your organization's commitment to helping those who have served our country, while gaining valuable visibility and networking opportunities with business and government leaders. This event is focused on a huge audience in four Southern California Counties including Los Angeles, Orange, San Bernardino and Riverside.

We have several sponsorship levels available, and we encourage you to visit <https://SoCalVetExpo.org/> to explore the options. By serving as a sponsor, you will not only be assisting veterans in their career journeys but also aligning your brand with a cause that resonates within our diverse and expansive SoCal community.

We look forward to partnering with you to make a significant impact at this event.

Sincerely,

*Dr. Monica Christianson*

Dr. Monica Christianson, PhD.  
**SoCal Veterans Expo 2024, Chair**
